Details

This unique vehicle is a Mercedes-Benz type 290 N Roadster whose total restoration was completed before short time and the result is perfect. The quality of the restoration will be certified by an independent expert with a score 1 and the replacement value, is far higher than the purchase price estimated. The restoration work is naturally documented. On the history of this vehicle there are unconfirmed statements as at summarizes all vehicles from this time !Here is an excerpt from the accompanying expert report. In the late 90s, several fragments of a Mercedes 290 were short wheelbase found and purchased in the former Eastern Bloc.The body was reason to believe that there could be a made by the company Papler customer body from the year 1936th So in meticulous detail each missing part was either sought and procured or remanufactured by hand.The result is this thoroughly harmonious two-seater with its strikingly elegant lines
